

COVID-19 UPDATE

The last few weeks have been worrying for us all and so to try to maintain the safety of its employees the directors of K Home International (KHI) have taken the decision that as many members of its workforce that can work from home will be doing so.

This is an unprecedented situation the world finds itself in but we can assure our clients that KHI are committed to focusing on its clients and their projects but also to maintaining its levels of quality and we hope you appreciate that this may take longer and we will encounter glitches along the way.

As a result communication may be slightly slower than you are used to. We would encourage clients to contact via email where possible either directly if you know your contact email or to enquiry@khomeint.com .

We would like to send out heartfelt wishes for good health to our colleagues, our clients, their families and loved ones.
