## **SUPPORT THOSE WHO SUPPORT OUR LOCAL COMMUNITY**

As per last year K Home International Limited have donated the funds we would have spent on the Annual Christmas Party to the following charities, Thornaby Food Bank and the Salvation Project, both of which are Thornaby based.

### **Thornaby Food Bank**

This is an independent community project, which is run 100% by volunteers and relies solely on donations. The aim is to supply food parcels to residents in need within Thornaby who have a referral from a professional agency. They operate out of Thornaby Baptist Church. They make up Couple and Family weekly bags for distribution each Thursday, and in the last year they distributed over £55,000 worth of goods to those in need.

### **The Salvation Project**

This is a local no profit group run 100% by volunteers and was set up to support people in the community in and around the Thornaby area. The group was founded to help those in poverty and homeless. They rely on donations for items such as food, clothing and toiletries. They operate out of Thornaby Methodist Church, just behind Ingram House.
