**K Home International Limited  
Achieves BSI Accreditation to BS EN ISO 9001:2015  
Standard**

In July, K Home International Limited, completed the BSI transition audit from ISO 9001:2008 standard to ISO 9001:2015 standard by successfully demonstrating the compliance of our Integrated Management Systems (IMS) and procedures to the clauses of ISO 9001:2015 standard.

**Lee Anderson Operations Director commented “The BSI approval has been achieved ahead of the September 2018 deadline, which is credit to all involved in the audit and demonstrates our commitment to ensuring our quality system complies to international standards and meets the need of our client’s and interested parties, and the services we provide”.**
