

FOR IMMEDIATE USE – 21st March 2011

CONTINUING TO WORK SAFELY

Safe Working Award Certificate received from the ECIA

Following our award in 2009, K Home International Limited (KHI) has been awarded the **Safe Working Award** for all construction manhours worked during 2010.

The Engineering Construction Industry Association (ECIA) is the principal trade and employer Association for the UK engineering construction industry. With over 300 members include many of the largest companies in the world that carry out EPCM projects across the globe.

Richard Ash, SHE Manager at the ECIA congratulated KHI and said "Your contribution by achieving the standards necessary for an ECIA certificate is recognised and greatly appreciated. It is your achievements that sustain our industry's influential voice in the ever-changing health and safety environment."

The certificate recognises the high health and safety achievement during the period of 1st January to 31st December 2010.

Lee Anderson, KHI Operations Director, stated "This is testament to our Company ethos of promoting a proactive approach towards Health, Safety and Environment within our industry sectors".
