

FOR IMMEDIATE USE – 30 JANUARY 2013

**CONOCOPHILLIPS
TEESSIDE PRIDE AWARDS**

ConocoPhillips Teesside Operations have awarded K Home International recognition for a Recordable Injury Free Year in 2012. Nick Lee, General Manager of ConocoPhillips presented the award to Lee Anderson, Operations Director on 24 January 2013. The ConocoPhillips Teesside Pride Awards ceremony was held at Middlesbrough Football Club.

“K Home International have contributed towards helping ConocoPhillips Teesside Operations achieve an injury free 2012, this is a fantastic achievement by all and should be recognised.” said Mr Lee.

In addition to this within K Home International’s offices and on several sites, personnel have surpassed over 2 million man-hours in the past 5 years without lost time accident (LTA).

“The success is based on all the staff utilising the safe act, near miss/potential hazard reporting system. This clearly shows the system is working and I am delighted we are all proactively working safe.” added Mr Anderson.
