**K HOME INTERNATIONAL LIMITED ACHIEVES
BSI ACCREDITATION TO ISO 45001 :2018 STANDARD**

In April (via video communications due to Covid-19) K Home International Limited successfully completed the BSI transition audit from OHSAS 18001 : 2007 standard to ISO 45001 :2018 standard by successfully demonstrating the compliance of our Integrated Management System(IMS) and procedures to the clauses of the ISO 45001:2018 standard.

Lee Anderson, Operations Director commented: “The BSI approval has been achieved ahead of schedule with the added restraints of the Covid-19 restrictions, which is credit to all involved in the transition and audit process and demonstrates our continued commitment to ensuring our Health and Safety system complies to international standards and meets with the needs of our Clients and interested parties and the services with provide to our industry sectors”.
